WINDOW SPECIFICATIONS

As a follow up to the questions about the window specifications, I am providing 4 manufacturers that build windows that comply with Falcon's current window replacement specifications for the Harbour Mansion site. The following list should not be considered a finite list of vendors which make windows compliant with the specifications, rather these are vendors which Falcon has worked with or specified in the past.

Kawneer/Traco –

**3350 with Impact Resistance
commercial class – Model NX5000 - CW-PG50**

Chris Keller (Local Kawneer Rep) – 610-223-0460

***Waiting for call back with local installer recommendations.

Architectural Windows –

**7000 with Impact Resistance
architectural class – Model 7100 – AW-PG50 – double hung tilt wash**

3 Recommended Installers

Greg Snyder
D&E Window and Door (Stirling, NJ)
908-903-1900

Bill Mullins
RD Architectural Products (Fairlawn, NJ)
201-797-5800

Greg Lynch
