CONTRACTOR POLICY REGARDING WINDOWS

1. An owner of a unit must submit a modification form along with complete detailed plans showing the windows configurations, specifications and rating for compliance prior to having a contractor start work in their unit. Contractors must be NJ Licensed and insured. Contractors are permitted to work Monday thru Friday between the hours of 9:00 a.m. and 4:00 p.m. The unit owner must supply a Certificate of Insurance as well as a current contractor's license from their contractor along with the modification form. The certificate holder is Harbour Mansion Condominium Association and must be delivered to the managing agent prior to the start of the work. The certificate must name Harbour Mansion as an additional insured. The contractor must carry both workmen's compensation and liability coverage in the minimum amount of \$1,000,000.
2. All modifications once reviewed must be scheduled at least one week in advance with the office. Best efforts will be made to reasonable clear cars from the parking lot below work areas. Board and management reserve the right to limit the number of units that can perform this type of work at any given time.
3. Contractors must use the padded elevator. The other elevator must be left available for use by the other unit owners.
4. The unit owner must pay a deposit of \$250.00. The deposit must be made payable to Harbour Mansion Condominium Association and must be delivered to the managing agent along with the work authorization form. The \$250.00 deposit will be returned after inspection of the common and limited common areas for any damage caused by the contractor.
5. Any damages caused by the contractor will be charged to the unit owner. Therefore, the owner should inspect the contractor route prior to the beginning of any work, note any prior damages of the common elements and limited common elements, and notify the management company in writing of any prior damages of the common elements and limited common elements. Any claim for damages by the Unit Owner towards the Contractor will be the Unit Owners responsibility
6. Materials, tools and other items may not be lined-up in the common hallways or lobby. Items are not allowed to be placed against any wall surface or block any doors.
7. Contractors are required to bring all necessary tools and equipment to perform the work. No cutting of materials is allowed on the terraces or in the common areas.
